#### It's Fun!

Bring your family & friends or the wedding party with you. You'll all enjoy the bottling experience.

#### It's Easy!

Our bottling stations & automatic equipment have been setup to make bottling quick and easy, even if you have never made wine before.

#### It's Personal!

Your guests will love your wine and appreciate even more, the fact that you made it yourself.

#### Excellent Wine!

We will help you select the perfect wine that your guests will love.

#### Savings!

Starting at just \$4.17 per bottle (60 x 375ml bottles), it's a great way to stay within your budget.

***ALL wedding packages include your choice of wine style, personalized labels, shrink caps, corks, bottles, taxes and use of all our equipment. And a built-in discount as well!***
